

ACCESSORIES

Interactive Kiosks

Engage visitors at the end of every
visit

DESIGNED IN

Belgium

About this Product

Place interactive kiosks at the end of your visit to collect visitor emails, simple surveys and offer a fun quiz about what they visited. Simply place the audio guide in the holder to start.

Key Features

Personalized Visitor Reports

Send personalized visit reports of what your visitor saw, what they missed, and a link to your web shop or to promote other museums and exhibitions they might enjoy.

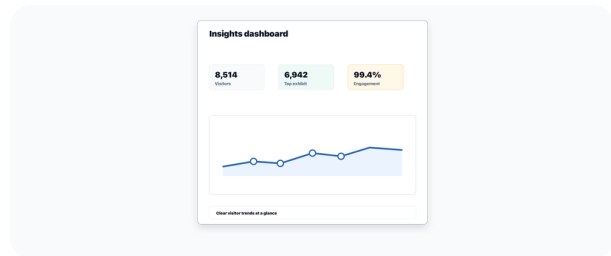

Quizzes and games

Integrate fun quizzes based on what the user visited throughout the museum or exhibit.

Survey user satisfaction

Quickly gauge how happy your visitors are and what they have to say, directly at the end of their visit.

Collect visitor statistics

Seamlessly collect statistics for all visitors through the kiosk. Measure engagement and visitor numbers for your exhibits. Accessible via an easy to use web platform.

Technical Specifications

More Features

Collect emails

Collect visitor emails to form a newsletter and keep them up to date about future exhibitions they might enjoy.
