AMSTERDAM, NETHERLANDS

Key Features

Complete Over-Ear Immersion

Premium over-ear design completely covers the ears for maximum comfort and superior sound isolation. Experience total immersion in your exhibition content while maintaining awareness of

Premium Comfort for Extended Wear

Soft leather-like ear cushions provide luxurious comfort for all-day use. At just 218 grams, the XL model offers maximum comfort without compromising on premium features.

Extendable Headband Design

Adjustable headband with extendable design ensures a perfect fit for every visitor. The flexible construction accommodates all head sizes while maintaining uniform, comfortable pressure.

Professional-Grade Construction

Built to last with rugged polycarbonate shell and easily replaceable Kevlar-reinforced cable. The leather-like ear caps are easy to clean and maintain for high-traffic exhibition environments.
